

Sample Name: **Deuterated (ethylene glycol)**

Sample #: **P40711-d4EG**

**Structure:**

**Characterization:**

M.W	66.09 (For fully enriched product)
CAS number	2219-51-4
Chemical Purity	>99%
D atom%	98%
Storage:	at room temperature air tight bottle

**Synthesis:**

The product was synthesized from Deuterated Ethylene Oxide monomer.

**DNMR spectrum of the product:**
